We are the foremost Manufacturer and Supplier of a broad array of Sensor paver, hotmix plant, kerb paver?? Wet Mix Plant, Asphalt Paver Spares, Mechanical Spares , etc. These products are known for their durability, easy to install and li

## About Us

Established in the year **1990**, in **Ahmedabad (Gujarat, India)**, we “**D.g. Engineers**” are the reckoned **manufacturer** and **supplier** of high quality range of **Wet Mix Plant, Asphalt Paver Spares, Mechanical Spares, Vibratory Road Roller Spares, Bitumen Sprayer Spares**, etc. Our complete product array is manufactured using advanced technology and quality tested raw material. The offered product array is highly acknowledged for the features like robust construction, rust resistance, industry-approved finish, minimum maintenance, excellent performance and long operational life. We make available these products in several specifications for meeting the demands of our esteemed clients. Under the direction of our mentor, “Savan Panchal”, we have achieved the highest position in the industry.

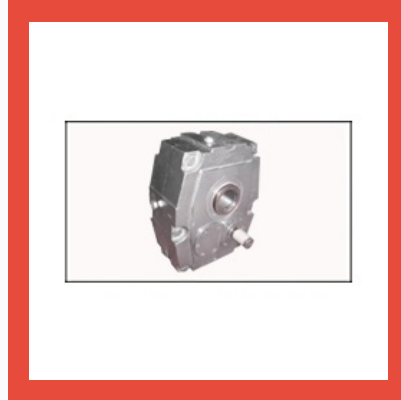

With the assistance of our state-of-the-art infrastructural set up, we have gained a reputed position in the industry. Our infrastructure is well-installed with modern tools and machinery. This infrastructure helps us to furnish the demands of our esteemed customers within the estimated time frame. We stringently check the offered products at our advanced quality testing unit on predefined quality parameters for assuring the complete flawlessness of the products. We have also segmented our infrastructure into different parts that are supervised under the strict guidance of our experienced professionals. Our experienced professionals ensure smooth and hassle-free production process of the products as per the clients’ requirements. For making easy business transaction with the customer, we facilitate them with various payment options like cheque, DD, Cash, Online, etc. Also, our on-time delivery, ethical business policy, simple payment options, customer centric approach and transparent dealings make us to get the reputed name in the domain.

# HOT BATCH MIX PLANT

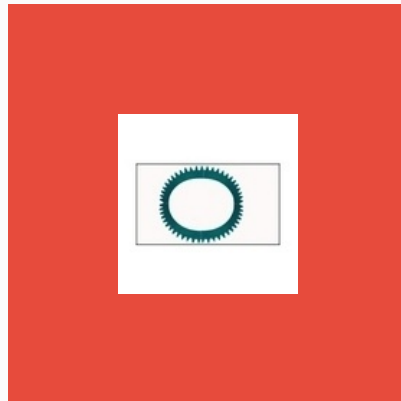

Hot Batch Mix Plant

Gear Box for Road Construction Machinery

Drum Flights for Road Construction Machinery

Drum Ring for Road Construction Machinery

# SENSOR PAVER

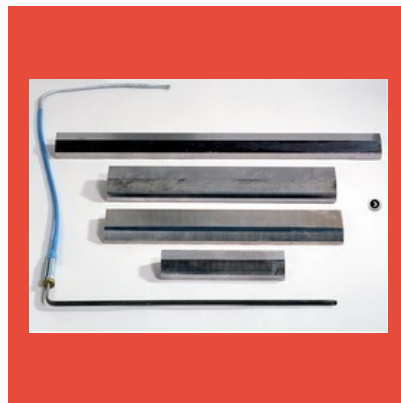

Bottom Plate

Conveyor Sprocket Assembly

Screed Plate

Tempar Bar

# KERB PAVER

Sensor Wires

Track Pad

Mould

Hydraulic Needle Vibrator Assy

# WET MIX PLANT

Nylon Coupling

Pugmill Shaft

Sprocket Chain

Pugmill Gear

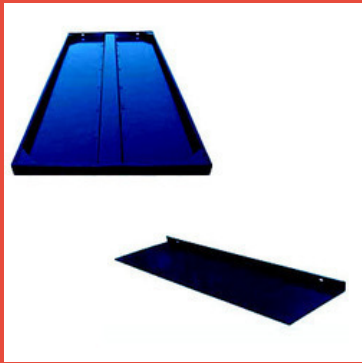

## ASPHALT PAVER SPARES

Auger Blade for Road  
Construction Machinery

Auger Shaft

Floor Plates for Road  
Construction Machinery

Double Bush Conveyor  
Chain for Road  
Construction Machinery

## SENSOR & MECHANICAL SPARES

Gears

Sprocket

Pan Plate

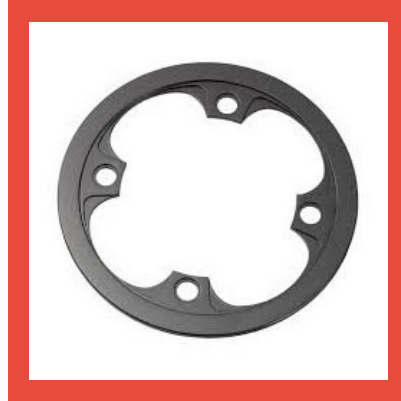

Shaft

## OTHER PRODUCTS:

Auger Blade

Chain Guard

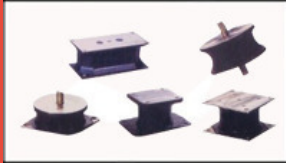

Elevator Chain

Water Spray Nozzle

## OTHER PRODUCTS:

Buffer Rubber

HY. Needle Vibrator
